If circumstances do not permit working 6 days, then the cost per day is \$75.00 made payable to the gallery. This money will be paid with the membership fee.

You may petition the board for continuation as a gallery member. **It is your responsibility to find replacements or to switch shifts.** Please e-mail any changes to artistinresidence.coop@gmail.com.

3. Be a Featured Artist for one Month.

Four artists will be featured at an open house reception the first Thursday of each month from 4:30 to 7pm. At the reception each artist will have 5 to 10 minutes to discuss artwork and inspiration. During the featured artist month, the opportunity will be given to display artwork at the front of the gallery. These spaces allow additional artwork to be displayed. As a featured artist, attendance is expected at the

reception in your honor. Please bring a beverage and appetizer to share and assist in clean up after the reception.

When bringing in new artwork to be displayed, it is important that you send an email to artistinresidence.coop@gmail.com to have wall cards made for display 5 days in advance (include name of piece, medium, and price). Also, when sending new images of your artwork to be displayed on Facebook, please send them to the email address as well. **If a featured month change must occur please do so at least 1 month in advance.** In order to do this, please send e-mail to artistinresidence.coop@gmail.com. All attempts will be made to honor the request. If there is a swap being made with another artist, please send info along to make sure that artwork is compatible with space allotted.

4. Abide by the guidelines established for exhibiting artwork.

All hanging artwork must be tagged with an AIR sales tag on the back and wall card information must be provided prior to hanging.

All framed work for the walls must be professionally framed with a wire across the back for hanging. Gallery wrapped canvas is required if not framed.

Three-dimensional art must be tagged with AIR tags, neatly written.

Information to be written on all tags will include: artist name (not business name), the piece, the price, and the inventory number that correspond to the inventory list found in the inventory notebook in the gallery. Tags are provided at the gallery. Each artist has an individual space and is limited to that space. Members' work is rotated each month on the Saturday preceding the featured artists' reception. This will include moving the work of the previous and next featured artists' work and moving other members' work as needed to maintain a fresh look in the gallery.

As a result art location may be rotated periodically.

All work displayed will be for sale with the exception of your feature month, where additional NFS items may be displayed.

5. Provide an Artist's Biography in digital format to be used in promoting artwork and the gallery.

The artist biography may be used to provide additional information about the artist. It will also be on display in the **artist bio's notebook** in the gallery. Only business cards in a cardholder may be placed in your space.
